

Free professional development sessions for educators!

California Invention Convention's Professional Development for teachers in grades K-12

Join our exciting, educational, and fun seminars

Get into the Invention Convention spirit!

Beginning January 10, 2023 and continuing every Tuesday, through January 31, we're offering four interactive seminars at no-cost that detail step-by-step how to bring an invention convention program to your school.

Led by: Jennifer Mead (CAIC Education Director)
and Brenda Payne (CAIC Executive Director)
